PADLET – A TOOL TO REMEMBER

ERASMUS+ PROJECT

YOU AND ME THROUGH ART TO A BETTER FUTURE

AGRUPAMENTO DE ESCOLAS ELIAS GARCIA

2021

WHAT IS PADLET?

- Padlet is a software, available at – https://padlet.com/dashboard

- People use it to make and share content with others

- Somewhere between a doc and a website builder

- Padlet empowers everyone to make the content they want, from a quick bulletin board, a blog, or a portfolio.

PADLET IS...

- **Easy and Intuitive** – an easy way to publish original content on the internet

- **Collaborative** – you can invite others to work with you on a project / activity

- **Flexible** – you can add any file type to your padlet, organize it the way you want, and make it public or private

PADLET IS...

- **Attractive** – you can choose among a wide variety of attractive design templates

- **Private and secure** – you can turn your padlet into a private resource

- Free version – you can only build 3 padlets

WHAT IS A PADLET?

A padlet, with a lower-case "p" is the page you post content on. A padlet is like a little notepad to post thoughts, images, and files.
