The image features a vibrant ceramic rooster figurine on the left and its corresponding black-and-white outline on the right. The figurine is primarily black with a large red comb, a yellow beak, and a red wattle. Its body is decorated with intricate patterns of white, orange, and blue dots, and a large red heart shape. The tail feathers are green and black with white spots. The rooster stands on a blue base. A diagonal grey line separates the figurine from its outline. A dark grey semi-transparent box is overlaid on the left side of the figurine, containing the text.
