

TURKISH ETHNIC SYMBOLS

**NAZAR
BONCUĞU
(BLUE
BEAD)**

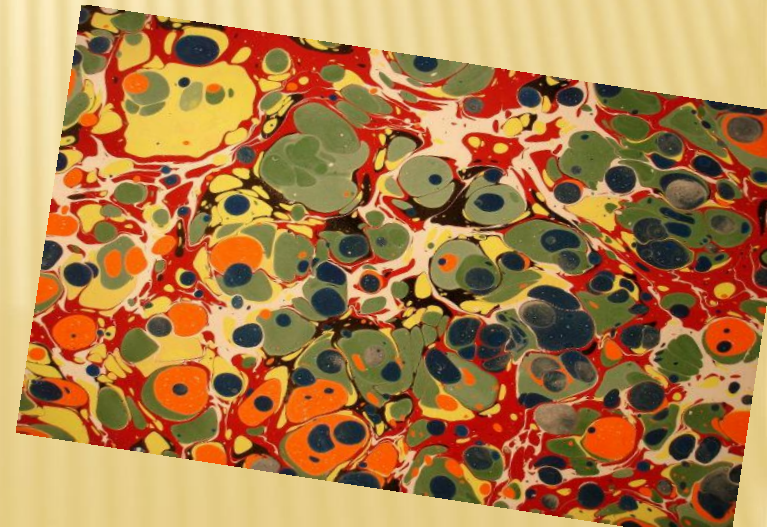

Turkish people believe that blue bead brings good luck and protects from evil eye. People carry blue bead on themselves.

EBRU SANATI (MARBLING ART)

Marbling Art is a kind of art prepared on a paper with special intense liquid. You can draw many different shapes with this technique.

KILIM (RUG)

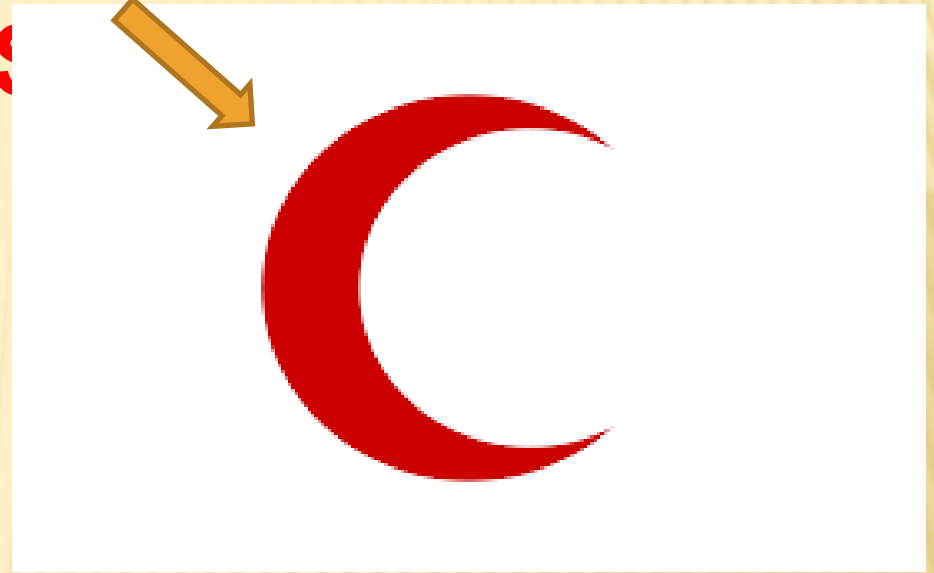

Rugs are Turkish heritage from old days to present. They carry memories, emotions, pains, happiness and history on themselves. Many people still use rugs at their homes.

HİLAL

(CRESC)

Crescent is very important for Turkish people and Islamic world. They use it in many different ways, on flags, on clothes, handcrafts etc.
